Caroline & Peter

My husband Peter and I would like to thank you all for all your hard work for our wedding. Many of our relatives had said the wedding was the best they've ever been to, and we haven't stopped talking about how much fun it was. We would like to thank all the staff for the service we received on our big day, the staff were very professional, attentive and literally can't fault the service through out the day. Thanks again for a day we won't forget.

Was the most perfect day, in the perfect venue! Colleen was amazing throughout the whole process and all the staff were fantastic on the day. Couldn't have asked for a better day and would do it all over again, if we could xx

We had the best wedding day we could have asked for at the Lansdowne Hotel. Everything was perfect, I could not fault one thing. From the very start when we booked with Colleen the service and guidance we received was first class. All our guests remarked on the great service, friendly and helpful staff and our meal on the day was beautiful. Nothing was too much trouble and anything we asked for was done with no fuss or bother.

Thanks to Colleen and team LD for an amazing and unforgettable day.

After viewing several venues across Belfast we felt we weren't going to find the place for us. The Lansdowne was our next stop and everything clicked. It was exactly what we were looking for. We wanted our wedding to be a big party for our guests and to be a day where they would look back and remember how much fun they had. The wedding team supported us throughout our planning and provided us with an excellent range of contacts including entertainment and photography. They listened to what we wanted and were so personable (remembering things even we forgot to mention). The team made sure our day was stress free and it meant we could really enjoy the time with our guests. Our guests always talk about the amazing food and how friendly and professional the staff were. We can't thank The Lansdowne enough for how much they looked after us. If you are looking for a venue with an amazing atmosphere, delicious food and memories you won't forget, don't look any further than The Lansdowne.

We knew the minute we went to see the venue it was for us, we loved the relaxed but professional atmosphere. The meetings held prior to the wedding were brilliant and everything just rolled really easy. Colleen is great and unbelievably helpful and brilliant at her job. The staff on the night working the wedding were very friendly.

Thank you for helping us have a brilliant day.
